### **Building the Domestic Church – July – Family Hardships**

Jesus wanted to belong to a family who experienced hardships so that no one would feel excluded from the loving closeness of God. The flight to Egypt caused by Herod's threat shows us that God is present when we are in danger, suffering, feeling abandoned or rejected. It is an example that does our families great good, helping them to become communities of love and reconciliation in which mutual help and forgiveness is experienced.
